AFFIDAVIT IN SUPPORT OF  
CRIMINAL COMPLAINT

I, Rachael Hickox, being duly sworn, state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. This affidavit is made in support of a Criminal Complaint and an Arrest Warrant for Allister Danzig QUINTANA, (referred to herein as "QUINTANA"), year of birth 1994.

2. I am a Special Agent with the United States Department of Justice, Federal Bureau of Investigation (FBI) and have been employed as such since 2012. I am currently assigned to the Violent Crimes Program within the Albuquerque Division of the FBI. I have investigative responsibility for investigating crimes that occur in Indian Country, including violent crimes such as homicide, robbery, arson, aggravated assault, and sexual assault. As a Federal Agent, I am authorized to investigate violations of the laws of the United States and have authority to execute arrest and search warrants issued under the authority of the United States.

3. This affidavit is based upon information reported to me by other federal, state, and local law enforcement officers during the course of their official duties. Throughout this affidavit, reference will be made to law enforcement officers. Law enforcement officers are those federal, state, and local law enforcement officers who have directly participated in this investigation. This affidavit is also based upon information gained from interviews with cooperating citizen witnesses, whose reliability is established separately herein.

4. Based on my training, experience, and the facts set forth in this affidavit, I believe there is probable cause that violations of United States Code Title 18 §1111 and §1153 – Murder committed within Indian country, were committed by QUINTANA.

Because this affidavit is submitted for the limited purpose of securing authorization for a Criminal Complaint and Arrest Warrant, I have not included each and every fact known to me

concerning this investigation. This affidavit is intended to show that there is sufficient probable cause for the requested warrant.

PROBABLE CAUSE

5. On February 14, 2018, the Albuquerque Division, Farmington Resident Agency of the FBI was notified by the Jicarilla Apache Police Department of the discovery of a deceased body inside the residence of 66 Navajo Street in Dulce, New Mexico, on the Jicarilla Apache Indian Reservation. It was reported to the FBI that the body was found naked inside of a closet with significant injuries and the hands and feet were bound. Officers also reported a substance resembling blood inside the residence. The occupant and reported owner of the residence, identified as QUINTANA, was reported as being arrested on or about February 8, 2018 by the Jicarilla Apache Police Department on separate tribal charges and was incarcerated at the time of the discovery of the body. The body was later identified by the Office of the Medical Investigator in Albuquerque to be that of an individual with the initials of T.H. and a year of birth of 1989, hereinafter referred to as John Doe.

6. The FBI's Evidence Response Team (ERT) responded to the QUINTANA residence on the evening of 02/14/2018. A Federal Search warrant was obtained authorizing the search of the QUINTANA residence. Upon execution of the warrant there were numerous areas within the residence that were damaged. There were also several areas throughout the residence that had dried reddish-brown stains that appeared to be dried blood. The naked body of deceased John Doe was found in the hallway closet with his hands and feet bound with cordage. A back bedroom in the residence was found to be clear of furniture and appeared to be in the process of being re-modeled. In the middle of the room was a handmade wooden stool. A significant amount of what appeared to be dried blood was splattered on the floor surrounding the stool. There was

also what appeared to be dried blood splattered on one of the walls of the empty bedroom. Near the door of the bedroom and on the floor was a large trail of what appeared to be dried blood that was smeared and led to the hallway and near the closet where John Doe's body was discovered. Inside the room, two items were discovered that appeared to be improvised weapons. The items are describe as appearing to be broken broom sticks with one end of each stick having black cloth wrapped in silver duct tape. These items appeared to have dried blood on them. During the course of the search of QUINTANA's residence a strong smell of decomposition was noted. It was observed that the thermostat in the residence had been left high making the temperature in the residence very warm.

7. An autopsy was conducted by the Office of the Medical Investigator on February 15, 2018 in Albuquerque, New Mexico. The autopsy resulted in the ruling that the death of John Doe was homicide.

8. On February 14, 2018, a Native American male with the initials of B.C., with a year of birth of 1995, was interviewed by law enforcement regarding the discovery of John Doe's body. B.C. stated that he was associated with QUINTANA and was denied entry into QUINTANA's residence on or about February 3-5, 2018 by QUINTANA, which B.C. described as abnormal behavior. B.C. also stated that he had an in-person conversation with QUINTANA on or about February 13, 2018 in which QUINTANA stated that he did something wrong and needed to clean up his house. QUINTANA said that once he bonded out of jail, he was going to clean up the mess at his house and leave the Jicarilla Apache Indian Reservation.

9. On February 23, 2018, a Native American female with the initials A.C., with a year of birth of 1989, was interviewed by law enforcement regarding the murder of John Doe. During the interview, A.C. stated that she was the former girlfriend of John Doe, and that she and John

Doe had a child together. A.C. reported that John Doe was given QUINTANA's bank card by QUINTANA and was supposed to withdraw money for QUINTANA to bond out of jail in late January 2018; however, John Doe failed to do so. On or about February 2, 2018, A.C. and John Doe spent the morning in Pagosa Springs, Colorado with their child. A.C. then dropped off John Doe in Dulce, New Mexico with a friend, and subsequently met with QUINTANA, Andrew Bettelyoun, and Sharol Cachucha. A.C. and the three individuals then traveled to Pagosa Springs so that QUINTANA could withdraw money from his bank account and post bond for another friend who was incarcerated in Dulce. A.C. stated that QUINTANA was unable to withdraw the money, and subsequently contacted B.C. and requested that B.C. drive to Pagosa Springs, Colorado to give them a ride back to Dulce, New Mexico. B.C. and B.C.'s girlfriend drove to Pagosa Springs, picked up QUINTANA and Andrew Bettelyoun, and then drove back to Dulce in the evening hours. A.C. and Cachucha remained in Pagosa Springs for the night and returned to Dulce the following morning.

10. A.C. stated that in the evening hours of February 02, 2018, at approximately 11:00pm, she conducted a video chat with John Doe. At approximately 11:26pm, John Doe attempted to conduct another video chat with A.C., but was unable to do so. A.C. then attempted to communicate with John Doe after 11:26pm on numerous occasions over the next few days, but without success. That was the last time A.C. had contact with John Doe.

During the interview, J.V. said that she was a close associate of QUINTANA. J.V. was shown the screenshots of the Instagram posts provided by A.C. J.V. stated that "danzigcrowley" was the Instagram account used by QUINTANA, and that she was the "other posts" responding to QUINTANA on or about the night of February 2 or the early morning hours of February 3, 2018. J.V. stated that she was certain the individual posting

was QUINTANA, as she knew QUINTANA not to allow other individuals to use or have access his account. J.V. said that she believed QUINTANA to be drunk based on the verbiage of the messages, and her previous encounters messaging with him.

13. On April 23, 2018 a Federal Search Warrant authorizing the search of the Instagram account "danzigcrowley" was obtained. The search warrant was served on Facebook L.L.C. (the parent company of Instagram) and the records were returned on May 22, 2018. Subscriber information received with the business records showed a verified telephone number of (505) 470-4487. Investigation revealed that the telephone (505) 470-4487 is the number that is utilized by QUINTANA. Through the course of the investigation, associates of QUINTANA's identified "danzigcrowley" as being the Instagram account used by QUINTANA. A review of the search warrant return by FBI SA Waldron revealed numerous communications between danzigcrowley and other Instagram users. 15. On February 27, 2018, a Native American female with the initials H.H., with a year of birth of 1991, was interviewed by law enforcement. During the interview, H.H. stated that John Doe and QUINTANA fought in the past, and that the fights were the result of John Doe having a sexual relationship with QUINTANA's biological mother. H.H. said that she knew QUINTANA to be violent, more so when he was intoxicated or on drugs.

16. On April 16, 2018 a male with the initials of J.M. and with a year of birth of 1990 was interviewed by a Special Agent of the FBI. J.M. advised that on or about February 12, 2018, QUINTANA and J.M. were incarcerated at the Jicarilla Apache Detention Center in Dulce, New Mexico. QUINTANA approached J.M. and had a conversation with him. During the conversation, QUINTANA told him that Andrew and him had tortured and killed someone and had bound the body in a closet. QUINTANA acted nervous while talking with J.M. and said that he was concerned because he left the heat on in the house which QUINTANA believed would cause the body to decompose quicker.

17. On April 26, 2018, a Native American male with the initials of M.M. and a year of birth of 1995 was interviewed by a Special Agent of the FBI in Dulce, New Mexico. M.M. reported that he had been incarcerated with QUINTANA during approximately the second week of February 2018. M.M. reported that he had three separate conversations with QUINTANA during his time in jail. During the first conversation, QUINTANA approached M.M. and said that he was planning on moving to Santa Fe to attend school once he was released from jail and needed someone to look after his house. QUINTANA asked M.M. if he would help him clean up his house. During the second conversation QUINTANA told M.M. that he was in "deep shit" and that only certain people knew about it. During the third conversation QUINTANA asked M.M. to help clean something up from his house when they were both released from jail. QUINTANA made

the comment that he needed to get something out of his house before it started to stink and that if he did not get it out before it began to stink then it would result in a manslaughter charge.
